

Fashion Portfolio **DESIGN COURSE**

Objective of Instruction

The Fashion Portfolio course is realized for those who want to work for a large fashion house but does not know how to impress. If you've always dreamed of creating exclusive designs for your favorite designer this is the course for you.

Two weeks of study aimed exclusively at the Maison you choose, planning and designing sketches that you can show to the reference company. You will develop a personal method of freehand drawing, you will study the various coloring techniques, with the computer or by hand, and you devote yourself to the study of proportions to create targeted designs that will enrich your curriculum.

Program

Two weeks of study aimed exclusively at the Maison you choose, planning and designing sketches that you can show to the reference company. You will develop a personal method of freehand drawing, you will study the various coloring techniques, with the computer or by hand, and you devote yourself to the study of proportions to create targeted designs that will enrich your curriculum.

In addition to learning the basics of drawing and coloring, this course will give you the chance to live a little 'closer your dream: to create unique outfits inspired by the brand that you like.

Versace, Armani, Chanel ... you will not

only admire their creations on the pages of magazines, you'll put your skills to the test and embrace the mindset of the designer, however, giving a personal touch to all your work.

At the end of the module each student will receive the participation certificate.
