## Introduction to Milan Fashion Campus

The objective of courses at Milan Fashion Campus is to offer students training for the professional world of fashion. From beginner level students to advanced level students, our campus is focused on one on one training service following each students' characteristics and skills. Students will develop specified skills depending on the course chosen. At the end of the course, students will prepare materials for their own portfolios. Also, students will receive the **Certificate of Study** issued by the private school of Milan Fashion Campus after the completion of the course.

## Admission Acceptance and Requirements

The students must send the complete application form and wait for the confirmation of eligibility. If students are eligible, open spots will be reserved and then confirmed after the payment of the school fee. Spaces are limited on first come first serve basis, therefore we suggest students to complete application process as soon as possible. Also the student must qualify to speak English, Italian, Spanish or German in order to enrol in the courses.

## Six Month Women's Wear Design Course

Full Time

Monday to Thursday

Morning: 9:30 – 12:30      Afternoon: 14:00 – 17:00

### 1<sup>st</sup> month - Women's Wear Design

Students will develop their designing with hands focusing on the silouhettes and the volume keeping in mind the season fabric. The students will learn Adobe: Photoshop to enhance the level and professionalism of their designs.

### 2<sup>nd</sup> month - 3<sup>rd</sup> month Morning - Technical Drawing and Detail Design

After the first month of designing with the hand, the students will develop their hand drawing skills of technical drawing. Then the students will learn how to use Adobe: Illustrator to draw the technical drawings.

With the practice of the technical drawings the students will learn how to also Detail Design. This allows students to understand the constuction of the each parts of garments and design developing for new ideas. Students will fashion research the shops of Milan getting inspiration for their Detail Design.

### 2<sup>nd</sup> month - 3<sup>rd</sup> month Afternoon - Styling Course and Virtual Restyling

Students will now be focusing on the total look and styling of outfits. The Styling Course will allow students to develop their sense of style by mixing and matching patterns and outfits and topping it off with accessories. Depending on the situtation, the studnets' job is to be a stylist and adapt to each persons' need whether if they were to be a personal shopper or a photo campaign stylist. Virtual restyling allows students to realistically create designs using parts of garments styling it up with accessories in the virtual world.

### 5<sup>th</sup> month - Accessory Design

Accessory Design will allow students to design accessories focusing on the workmanship and getting to know the parts of bags, shoes etc. Students will design by hand and then use the techniques that they learned (Adobe: Photoshop and Illustrator) and create a collection of accessories.

### 4<sup>th</sup> month - Trend Forecasting

Keeping in mind the trend styles and trend colours are very important features in the real *working world* of fashion. The Trend Forecasting allows students to learn the importance of trend researching and color planning in order to design a collection. Depending on reports of trends and color research the student will choose fabrics and plan a collection.

### 6<sup>th</sup> month - Collection Design

For the final project, students have to create a full collection depending on the theme from their research of trend forecasting choosing the colours, fabrics and the total outfit combination with accessories. Also with the technical drawing and detailed description of the fabrics, the students will prepare a final work portfolio ready for the working world.

The course described above shows the brief description through out the 6 month course. Milan Fashion Campus' policy is to adapt to each student depending on their needs, skills and desired final outcome. The 6 month period content may be adjusted better adapting to each student's goal. For any further questions or suggestions on the course please feel free to contact [info@fashioncamps.it](mailto:info@fashioncamps.it).
